

The Santa Clara Fire Department Continuing Education Series for  
Paramedics and EMT-Basic Presents

# Advanced EMS/Legal Documentation

**SPEAKER: DAVID GIVOT, ATTORNEY**

The Santa Clara Fire Department is hosting free a **“Fundamentals of EMS Documentation”** seminar, taught by defense attorney David Givot. Mr. Givot will examine and discuss issues made in the world of EMS documentation and talk about the consequences of not properly documenting patient contacts.

Mr. Givot is a popular speaker at the CFED West conferences and is practicing as a defense attorney. His firm specializes in Criminal and EMS Provider cases in California.

This free seminar is limited to 60 people per session and provides 3.5 hours of EMS Continuing Education (CE) issued by the Santa Clara Fire Department (California CE Provider# 43-2003). **Advanced registration is required for CE issuance.**
