

# SPORTS AND SPECIAL EVENTS INCIDENT MANAGEMENT - MGT404 COURSE, FEBRUARY 20 & 21, 2018

## DESCRIPTION

This course emphasizes the unique aspects of response to an incident occurring during a sports/special event, including considerations for business continuity and after-action activities. You will learn the skills necessary to effectively manage an incident by applying and implementing a multi-disciplinary management team approach as described in the National Incident Management System (NIMS).

The course is designed to help develop athletic department staff, facility management personnel, campus public safety personnel, emergency response supervisors, and others involved in sports/special event management to better manage incidents that could occur during an event.

## LOGISTICS

This is a two day course taking place February 20 & 21 from 08:00 - 17:00 each day. The class will be held at the Santa Clara Fire Department Training Center located at 1900 Walsh Ave in the city of Santa Clara. Registration is required for this course as we have limited space. To register please visit the Santa Clara County EMS web page and click on the tab that says "sign up for a class".

## PREREQUISITE

All the following must be completed prior to registering for this course.

- National Incident Management System/incident command system training
