(Code 1954, § 3.3.2-2)

Every position in the classified service shall be allocated by the Director to a class.

(Code 1954, § 3.3.2-3)

(a) Specifications for each class shall be developed and maintained by the Director. New and revised specifications upon recommendation of the Director shall be submitted to the County Executive and the Board of Supervisors for approval with the following exception. A class specification may be revised administratively without Board of Supervisors approval upon the recommendation of the Director and with the approval of the County Executive and concurrence from the appropriate bargaining unit when there is no salary change.

Such standards and qualifications may not be less than those prescribed by externally mandated legislation or other such regulations.

(c) Specifications are not restrictive and shall not be construed as declaring that duties or responsibilities shall not be changed or that an appointing authority may not temporarily assign other duties and responsibilities to or otherwise direct and control the work of employees under the appointing authority's supervision.

(Code 1954, § 3.3.2-5; Ord. No. NS-304.12, § 2, 12-8-58; Ord. No. NS-304-98, § 1, 5-24-77; Ord. No. NS-304.113, § 8, 8-30-88; Ord. No. NS-304.131, 11-13-07)

The County Executive shall refer all relevant information to the Director for investigation and recommendation. Upon approval of the County Executive and the Board of Supervisors of the creation of the class of position, the Director shall allocate the position accordingly.

(b) The Director may grant status without examination, directly upon reclassification.
(c) The Director may require a qualifying test prior to granting status under any of the above conditions.

(d) When a position is reallocated upward, a permanent incumbent may be appointed to the new class with the Director's approval by being eligible for and passing the appropriate examination without regard to the employee's place on the eligible list. This qualifying examination procedure may be used only when there is a clear showing that the duties of the position have gradually evolved without any purpose on the part of anyone to evade the merit principle provided that the incumbent has completed a period of service in the position and performed the higher level duties for a period of time equivalent to the probationary period of the classification. When a position is reclassified to a supervisory unit, the incumbent will be required to complete a period of service in the position and have performed the higher level duties for a period of time equivalent to one year. An incumbent in a reclassified alternately staffed position who is in a probationary status and has permanent status at the lower level shall be treated as a permanent incumbent for purposes of this section. This qualifying examination shall consist of an application appraisal and a promotional rating form or an oral examination except as determined otherwise by the Director of Employee Services Agency. Upon request, the Director of Employee Services Agency shall provide in writing the reasons for such determination.

(e) When a position is reallocated upward, an incumbent who has not served the requisite period of time according to (d) shall be laid off unless the appointing authority elects to appoint the incumbent according to Section A25-189.

(f) Should a permanent incumbent of a position that has been reallocated upward not qualify for that new class, the employee shall be laid off.

(g) When a position is reallocated downward, upon a continuing approval of the appointing authority, a permanent incumbent may remain in the position in the incumbent's former class by overfilling for a period not to exceed two years from the effective date of the reallocation. An official leave of absence shall not be counted toward the two-year limit. During the two years the employee's name shall be placed on the appropriate reemployment list for certification to other positions in accordance with the appropriate layoff provisions. If, at the expiration of the two-year period the incumbent still remains in the position, the employee shall either:

(1) Take a voluntary demotion to the new class, without loss of current salary; or

(2) Be laid off in accordance with the appropriate layoff provisions.

(h) Candidates for appointment to a position approved for reclassification study by the Director of Employee Services Agency shall be informed in writing of the current status of the study and the possible effect on the incumbent if offered the position.

The Director shall schedule examinations as the current and anticipated needs of the service require. Scheduled examinations may be postponed or cancelled or the closing date extended by the Director by notifying all persons affected and posting public notice.

(Code 1954, § 3.3.4-1)

Sec. A25-140. Types of examinations.
Examinations may consist of written, oral, performance or physical tests or any combination thereof, or any other form which will test fairly the qualifications of applicants.

(Code 1954 § 3.3.4-2)

Examinations shall be impartial and practical in nature and so constructed that they reveal the knowledge, skills, and abilities of the applicant for the class for which the applicant is competing as well as the applicant's general background and related knowledge.

(Code 1954, § 3.3.4-3; Ord. No. NS-304.113, § 17, 8-30-88)

(a) An examination may include an interview for the purpose of appraising the personal fitness of candidates. Only those candidates qualifying in the subject matter portion of the examination shall be called for the interview. Failure to report for the interview shall eliminate a candidate from the examination.

(b) Interview boards shall be appointed by the Director, who shall act or appoint another to act as chair.

(c) Interviewer shall mark on forms provided the degree to which, in their judgment, each candidate possesses the desired qualifications.

(d) Candidates who fail to attain a passing score on the oral portion of an examination may not retake an examination for the same classification until at least 45 calendar days have passed from the date of the first examination. Such candidates must follow the same examination procedures as all other candidates filing for the same examination except that if the written portion of the examination is given on a qualifying basis, the candidate may not be required to retake the written portion of the examination within six months of the original examination. If the candidate fails again, the candidate must wait 90 calendar days before retaking the examination.

(e) In cases of major reclassification changes, the Director may authorize the retesting more frequently than every six months of such County employees who have failed a test three times.

(f) Appeals from oral board ratings may be made on the basis of irregularity, bias, fraud or discrimination. Such appeals may be submitted to Human Resources at any time following the oral examination but not later than the eighth working day following notification of the scores. Upon receipt of the appeal, the Director shall make a decision on the appeal within five working days. During these five working days the appellant shall have the right to meet with the Director, or the Director’s representative, concerning the appeal. The time limits contained herein may be extended by mutual consent of the parties. If the appeal is upheld, the Director shall convene a new oral board for the purpose of rerating the candidate. The new score resulting from the rerating shall be used. No appointment shall be made from an eligible list resulting from an examination, which is under appeal. In the event of fraud or other irregularity affecting all candidates, if the Director finds that the allegation is substantiated, all examination results shall be voided and a new oral examination conducted.

(g) Notice of the appeal procedure shall be sent to all applicants with the form admitting such applicants to the oral board interview.

The names of all applicants who qualify in such examinations shall be placed on one eligible list in the order of final grades.

(Code 1954, § 3.3.47)

Sec. A25-146. Unassembled examinations.

Whenever the announcement of an examination shall so state, and applicants are given opportunity to file statements of their qualifications, a preliminary competitive rating may be given on the basis of the duties, requirements and conditions of work in the position to be filled. Applicants appraised highest, to a number commensurate with the number of vacancies anticipated, may be required to compete in further tests.

(Code 1954, § 3.3.4-8)

Sec. A25-147. Identification of papers.

(Ord. No. NS-304.134, § 16, 09-25-15)

Sec. A25-150. Examination scores.
(a) Unless otherwise provided in the examination announcement, competitors shall be required to attain a score of not less than 70 percent in each part of the examination.
(b) In written tests, the 70 percent used to represent the minimum passing score need not be the arithmetic 70 percent of the total possible score, but may be an adjusted score based on a consideration of the difficulty of the test, the quality of the competition and the needs of the service.
(c) Applicants in promotional examinations shall be notified of their individual adjusted percentage scores for the written and oral portions of the examination, whether passing or failing, and of their position on the eligibility list.
(d) When the examination type is an application appraisal, all applicants who meet the minimum qualifications for the position, including those who qualify for veterans’ preference, will normally be given the grade of pass rather than a numerical score, and listed alphabetically on the eligible list.

(Code 1954, § 3.3.4-12; Ord. No. NS-304.35, §§ 10, 11, 5-23-66; Ord. No. NS-304.68, § 1, 4-6-71; Ord. No. NS-304.124, § 19, 9-17-02)

This weight shall be multiplied by the applicant's grade in that test; the sum of the resulting products shall be divided by the total of the weights; and the resulting quotient, rounded off to the nearest whole number, shall be the final examination grade of the candidate, except where additional credit is allowed, such as veterans' preference.

(Code 1954, § 3.3.4-13; Ord. No. NS-304.43, § 2, 3-13-67)

Sec. A25-152. Resolving of ties.

(a) Whenever in certifying the top ten eligibles, a tie rank is encountered, all eligibles with the same rank shall be certified even though more than ten names are certified to the appointing authority.

(b) The Director may treat test scores in a specified range, called a band, as being the same score in order to provide the appointing authority with a sufficient number of qualified candidates. Banding may be used in order to provide a larger pool of candidates when there are a large number of current or anticipated vacancies within the department, pursuant to existing policy. Banding may only be used in open/competitive recruitments where there are five or more vacancies. A decision to use banding is to be made prior to the certification of names to the hiring authority. Once banding is used, it will continue to be used to certify additional names when needed, subject to Section A25-185.

(Code 1954, § 3.3.4-14; Ord. No. NS-304.43, § 3, 3-13-67; Ord. No. NS-304.95, § 1, 8-17-76; Ord. No. NS-304.134, § 17, 09-25-15)

As soon as the rating of an examination has been completed and the eligible list established, each competitor shall be notified in writing of the result of the competitor's examination, and if successful, of the competitor's general average percentage and the competitor's relative position upon eligible list.

(Code 1954, § 3.3.4-15; Ord. No. NS-304.113, § 20, 8-30-88; Ord. No. NS-304.134, § 18, 09-25-15)

(a) Any competitor or the competitor's designated representative may, within five working days from the date of the written examination, review a keyed copy of the examination for possible errors in designations of correct answers, ambiguities in questions or choices of answers, or for any other defect in construction or content which would tend to make a part or all of the examination substantially invalid for its purpose. Where written examinations are provided by an outside contracting agency, such review may be made only upon consent of the said contracting agency. All examination papers are confidential records which shall not be removed from the Human Resources Department. Rating sheets and examinations other than written examinations are not reviewable.

(b) If the competitor protests any item or portion of the examination, the competitor will be given five working days following the expiration of the five-day review period to document the competitor's protest with acceptable written authority or source references. After investigation of the protest and the submitted substantiation, the Director shall decide whether the protest is justified. If an error is found, the rating of the competitor shall be changed accordingly. If the error affects other competitors, scores shall be adjusted accordingly; but no resulting change shall invalidate certifications or appointments already made.

(c) A competitor who does not review a written examination for which only one form is available may not reapply until at least 45 calendar days have passed from the date of the original examination. A competitor reviewing a written examination for which only one form is available may not reapply until at least 90 calendar days have passed from the date of the original examination. Following a second failure, the competitor must wait 90 calendar days before retaking the test. Candidates who fail three consecutive written examinations within a six-month period for which only one form is available may not reapply until at least six months have passed from the date of the most recent examination.

(d) A competitor who does not review a written examination for which more than one form is available may take an alternate form as soon as administratively convenient. A competitor reviewing a written examination for which more than one form is available may not take an alternate form until 90 calendar days have passed from the date the first form was administered. A competitor who fails two successive alternate forms may not take the first form sooner than 90 calendar days from the last test. When more than one form of a written examination is available and a candidate fails three consecutive written examinations within a six-month period, the competitor may not take any alternate form within six months of the date of the competitor's last failure.

(e) In cases of major reclassification changes, the Director may authorize the retesting more frequently than every six months of such County employees who have failed a test three times.

(f) The unauthorized copying of questions or answers from any paper made available for inspection is forbidden and may result in cancellation of eligibility and disbarment from future examinations.

(g) Any competitor or his designated representative may appeal results of an examination designed to assess writing skills, review the corrected examination and appeal with written authority or source references. Such appeal must be received in the central Human Resources Department by not later than the eighth working day following the mailing of results. After the investigation of the appeal and submitted substantiation, the Director shall decide whether
the protest is justified. If error is found, the rating of the competitor shall be changed accordingly. Certifications or appointments may not be made from the results of an examination which is under protest pursuant to this subsection.

Sec. A25-155. Retention of applications and other records.

Applications and related examination records will be retained for a minimum of three years or as may otherwise be required by state and federal law. Examination records of appointees may be retained for a longer period, to be determined by the Director.

The Director, in consultation with the appointing authority, shall determine when a promotional examination is appropriate. All promotional examinations shall be held on a service-wide basis, except as provided in Section A25-148. Employees in unclassified status in coded positions who have taken and passed the qualifying examination for the class in which they are working shall be permitted to take any promotional examination for a class for which they are qualified.

Sec. A25-188. Substitute and extra-help appointments.

(a) A substitute appointment is an appointment for a minimum period of 14 calendar days and a maximum period of one year which is limited to the period of a vacancy created by an authorized leave of absence without pay granted a classified employee. Substitute appointments for longer than one year shall be made in accordance with regular certification procedures. A permanent employee who receives a substitute appointment in a higher class in the same department shall be considered as on leave from the permanent employee's regular position. Upon return of the regular incumbent, the substitute employee shall have the right to return to the substitute employee's former position or to a similar position in the same class in the department. Employees receiving substitute appointments in a different department may, at the discretion of the former department head, either be put on leave or may retain only reinstatement privileges. Substitute appointments for less than one year may be made on a temporary provisional basis or through regular certification procedures at the option of the appointing authority. No position may be filled by such an appointment nor any person serve as a temporary provisional appointee for more than twelve months in any consecutive 24 month period.

(b) Substitute employees, when appointed through regular certification procedure from the top ten on the eligible list, shall carry full rights and privileges as regular employees.

(c) An extra-help appointment is one made to a nonpermanent position established to meet a peak-load or other unusual work situation.
(d) Extra-help appointments are not regular appointments, need not be made from eligible lists
and carry none of the rights or benefits of regular appointments. However, in the event that an
extra-help position is subsequently converted to a regular position, any continuing incumbent
whose original appointment was made from one of the top ten on the appropriate eligible
list, may be granted probationary status effective on the date of the establishment of the regular
position without further examination regardless of the condition of the current eligible list.

(e) No person may receive pay in an extra help capacity in the same classification in the same
department for more than 1,040 hours in any fiscal year, unless otherwise approved by the
Board of Supervisors. The Board of Supervisors shall grant approval only for positions which
have direct health and safety responsibilities in those departments providing 24-hour services.

(f) Extra help appointees in classes established for permanent positions are expected to meet all
minimum requirements, including any special requirements established for the class by state
law, or any specialized educational or training requirements for professional or technical
classes, as established in the official specifications for such classes.

(g) Employees who are absent from duty with pay for a period of one month or longer may, at the
request of the appointing authority and the approval of the Director, be transferred to special
leave code positions and have their former positions filled on a temporary provisional basis
or by regular substitute certification procedure. Except for the difference in the minimum
period of appointment, such appointments shall be subject to the provisions for substitute
appointments set forth in Subsection (a) of this section. It shall be the responsibility of the
appointing authority to request from the Board of Supervisors sufficient appropriation for the
special code positions.

Sec. A25-189. Provisional appointments.

(a) If there are urgent reasons for filling a position, and there are insufficient eligibles upon an
appropriate employment list, the Director may authorize a provisional appointment to fill the
position pending the establishment of an employment list.

(b) The Director shall approve any provisional appointee proposed by appointing authority,
provided the appointee meets the established employment standards for the class.

(c) No provisional appointment shall continue for more than 90 calendar days after an
appropriate employment list has been established for the class; nor may any position be
filled by provisional appointment or any person serve as a provisional appointee for more
than one year in any 24 consecutive months.

(Code 1954, § 3.3.5-19; Ord. No. NS-304.102, § 1, 1-2-79; Ord. No. NS-304.113, § 35, 8-30-88; Ord. No. NS-304.124, § 30, 9-
17-02; Ord. No. NS-304.134, § 32, 09-25-15)

Should an emergency require the filling of a vacancy and there are no eligibles immediately available, the appointing authority may make an emergency appointment of any person; but such emergency appointment may not continue for more than ten working days. Such emergency appointment shall be reported to the Director not later than the next regular workday.

(Code 1954, § 3.3.5-20; Ord. No. NS-304.14, § 12, 10-13-59)

Appointments from open or promotional eligible lists shall be for a probationary period of six months, during which the appointing authority shall investigate the conduct, performance, moral responsibility and integrity of each employee and determine whether the employee is fully qualified for permanent status. Whenever employment conditions are such that employee qualifications for a class may not be adequately determined during a six-month probationary period, the Director, upon recommendation of the appointing authority, and approval of all appointing authorities concerned, may set the probationary period for the class not to exceed 18 months. An employee who has attained permanent status in a classification in an alternate series after serving a one year probationary period shall, upon promotion to a higher classification in a series, serve a probationary period of six months.

(Code 1954, § 3.3.5-21; Ord. No. NS-304.6, § 5, 6-18-56; Ord. No. NS-304.14, § 13, 10-13-59; Ord. No. NS-304.15, § 1, 1-16-61; Ord. No. NS-304.68, § 2, 4-6-71; Ord. No. NS-304.99, § 1, 9-27-77)

(a) During the probationary period, the appointee may be rejected at any time without the right of a hearing before the Personnel Board as to original appointments and with the right of such hearing as to probationary appointments following promotion, demotion or transfer of employees with permanent status. If requested by the appointee, the appointing authority shall provide the appointee with a written statement of the reasons for the appointee's release; such request must be made within five working days of the appointee's release. Such statement is for informational purposes only, and not for purposes of appeal. The Director may restore a released probationer to the eligible list for certification to other departments if the reasons for the appointee's release appear limited to a single department.

(b) Probationary employees appointed to a higher class prior to attainment of permanent status in the lower class shall have the right to a hearing before the Personnel Board, provided the time served in both classes was sufficient to have attained permanent status in the lower class.

(Code 1954, § 3.3.5-22; Ord. No. NS-304.6, § 5, 6-18-56; Ord. No. NS-304.21, § 4, 11-5-62; Ord. No. NS-304.49, § 8, 9-18-67; Ord. No. NS-304.85, § 1, 11-4-73; Ord. No. NS-304.113, § 36, 8-30-88; Ord. No. NS-304.134, § 33, 09-25-15)

If, after thorough investigation during the probationary period, the appointing authority finds the probationer fully qualified for permanent status, the appointing authority shall so certify to the department not later than the last day of the probationary period. Failure of the appointing authority to so certify shall grant the probationer permanent status.

(Code 1954, § 3.3.5-23; Ord. No. NS-304.113, § 37, 8-30-88; Ord. No. NS-304.134, § 34, 09-25-15)

Sec. A25-201. Return to former class.

As an alternative to appointment from any employment list, any employee, who has ever held permanent status in any classification, upon recommendation of the appointing authority and approval of the Director, may be appointed without further examination to a position in any class in which regular status had formerly been acquired, or to any related class on a comparable level with the former class, except when separation from the previous class was based on a disciplinary demotion, dismissal, or release.

The dispute need not be heard within this ten-day period.

No County classification shall be included in more than one representation unit, except that management and confidential employees shall not be included in any unit which includes nonmanagement or nonconfidential employees.

(c) Professional employees shall not be denied the right to be represented separately from nonprofessional employees by a professional employee organization consisting of such professional employees. Challenges to the appropriateness of proposed unit modifications may be filed in accordance with the provisions of Article 3 of this chapter.

A petition which seeks to create a new unit may be combined with a petition which seeks to be certified as the recognized employee organization in accordance with Article 4 of this chapter. (Ord. No. NS-304.74, § 2, 9-5-72)

As used in this chapter, "grievance" means a complaint of an employee relating to any phase of his employment or working conditions including, but not limited to, a disagreement involving the work situation in which an individual employee believes that an injustice has been done because of:

(Ord. No. NS-304.74, § 2, 9-5-72)

The objectives of this chapter are:

(a) To settle the disagreement at the employee-supervisor level informally, if possible;

(b) To provide an orderly procedure to handle the grievance, through each level of supervision if necessary, with final decision vested in the appointing authority, subject to the County Executive;

(c) To resolve the grievances as quickly as possible;

(d) To correct, if possible, the cause of the grievance to prevent future similar complaints;

(e) To provide for the development of a two-way system of communication by making it possible for all levels of supervision to hear such problems, complaints and questions raised by employees;

(f) To reduce the number of grievances by allowing them to be expressed, and thereby adjusted and eliminated;

(g) To promote harmonious relations generally among employees, supervisors and the administrative staff;

(h) To assure fair and equitable treatment of all employees.

(Ord. No. NS-304.74, § 2, 9.5.72)
Sec. A25-509. Areas of disagreement.

(a) Where the grievance involves an alleged violation of rights and privileges specified in the merit system rules, the employee or his representative should attempt to resolve the grievance within the department but may present the complaint directly to the Personnel Director.

(b) Grievances arising out of disciplinary actions are covered through regular appeal procedures to the Personnel Board.

(c) Where the grievance involves discretionary action of the department in the application of merit system rules, the compliant should be processed through the grievance procedure first. If the employee is not satisfied with the decision of the department’s appointing authority, he may require that the grievance be reviewed by the Director of Personnel for investigation and recommendation. These recommendations shall be given to the appointing authority and the employee for consideration before the final decision is made.

(Ord. No. 304.74, § 2, 9-5-72)

(a) The employee shall discuss his grievance with his immediate supervisor informally. Within two working days, the supervisor shall give his decision to the employee.

(c) The superior will hear the grievance and give his decision to the employee within five working days of receiving the written grievance, if the employee is not satisfied with the decision of the superior, or has not received a decision within the five-working-day time limit; he may present his written grievance to the next level supervisor. He shall send a copy to the appointing authority.

(d) The appointing authority, within five working days of receiving the written grievance from the employee, shall confer with the employee, the supervisor and the superior in an attempt to bring about a harmonious solution. If the grievance cannot be resolved in this conference, the appointing authority shall, within five working days, either:

1. Make a decision and discuss his decision with the employee, giving him a written statement of his decision with supporting reasons; send copies to the immediate supervisor, and the superior; or

2. Refer the grievance to the Director who shall serve as a fact-finder.

   a. The Director shall report his findings and recommendations to the appointing authority and the employee within five working days after receiving the request for review.

   b. The appointing authority shall, within five working days after receiving the report from the Director, communicate his decision in writing to the employee with a copy to the Director.

(Ord. No. NS-304.74, § 2, 9-5-72)

Sec. A25-513. Handling during working hours.

Grievances shall be handled during working hours, if possible.

(Ord. No. NS-304.74, § 2, 9-5-72)

Sec. A25-514. Consultation with Personnel Director authorized.

This chapter, or a portion of it, shall not apply to employees covered by a memorandum of agreement between the County and a recognized employee organization when such agreement contains a provision relating to the same subject matter.

(Ord. No. NS-304.78, § 1, 7-17-73)

No County employee may negotiate or supervise a contract between the County and the employee's former private sector employer, or supervise work to be performed by the former private sector employer, within one year of leaving that employer. These restrictions do not prevent the County employee from providing information to the County unless otherwise prohibited.

(Ord. No. NS-304.127, § 1, 5-4-04)

ARTICLE 2. LAYOFF PROCEDURES

Sec. A25-620 "Seniority" defined.

Except as otherwise provided in Section A25-621, "seniority" is defined as days of accrued service as computed and reported on the employee's pay check within a coded classification with the County. Original coded unclassified service shall not be counted except that time served pursuant to Santa Clara County Charter Section 704(h).

(Ord. No. NS-304.100, § 3, 10-4-77; Ord. No. NS-304.109, § 1, 7-1-81)

Sec. A25-621. Transfer of prior agency service.

(Ord. No. NS-304.100, § 4, 10-4-77; Ord. No. NS-304.109, § 2, 7-1-81)

(Ord. No. NS-300.100, § 5, 10-4-77; Ord. No. NS-304.109, § 3, 7-1-81)

The Department shall at least annually determine the number of positions in each classification that require a specific skill paid for through a differential. The plan must be approved by the Director of Employee Services Agency. In all cases the employees in the department certified in that skill shall be retained in order of seniority until the requisite number of positions are filled.

When one or more employees performing in the same class in a County department/agency are to be laid off, the order of layoff in the affected department/agency shall be as follows:

(a) Provisional employees in inverse order of seniority;

(b) Probationary employees in inverse order of seniority;

   Employees subject to the provisions of this article shall be given at least 20 working days' written notice prior to the effective date of layoff. The procedures of Section A25-625 shall be applied prior to the effective date of the layoff.

(Ord. No. NS-304.100, § 7, 10-4-77; Ord. No. NS-304.109, § 4, 7-1-81)

(a) Vacant code in County. In the event of notice of layoff, any employee so affected will be allowed to transfer to a vacant position in the same classification in any County department/agency, provided the employee meets the specialized qualifications which may be established through testing and examination or by selective certification.

(b) Former classification. In the event there are no vacant codes in the same classification in any department/agency, an employee will be offered a vacant position in any classification at the same or lower level in which permanent status had formerly been held, first in the affected department/agency and then County-wide. The employee will not be allowed to transfer to a vacancy that requires skills, as defined in Section A25-623, not possessed by that employee.

(c) Displacement. In the event there are no vacancies as listed in (a) or (b), the employee shall have the right, upon request, to be returned to any classification in the department/agency at the same or lower level in which permanent status had formerly been held and the regular layoff procedure in that same or lower level shall apply.

(Ord. No. NS-304.100, § 9, 10-4-77; Ord. No. NS-304.109, § 7, 7-1-81)

The person standing highest on a reemployment list for a particular classification when a vacancy exists in that classification in any department/agency shall be offered the appointment. Employees on reemployment lists shall retain the right to take promotional exams and/or receive promotional preference on exams.

(b) When required by the needs of the department and approved by the Director of Employee Services Agency, selective certification may be utilized to reemploy employees with particular skills.

(Ord. No. NS-304.100, § 10, 10-4-77; Ord. No. NS-304.109, § 8, 7-1-81; Ord. No. NS-304.134, § 56, 09-25-15)

Interested employees who are placed upon the reemployment list due to layoff and who elect to be available for temporary work shall be given preference for such work in their former department/agency in the classification from which they were laid off. The election to be available for temporary work must be made at the time of the layoff. Employees may decline to be available for temporary work, or may decline such work itself without affecting any rights under this article.

Refusal to accept one of two offers of reemployment within the same classification shall cause the name of the person to be dropped from the reemployment list.

(Ord. No. NS-304.100, § 12, 10-4-77; Ord. No. NS-304.109, § 10, 7-1-81)

(Ord. No. NS-304.100, § 13, 10-4-77; Ord. No. NS-304.109, § 10, 7-1-81)

(a) Layoff. In the event of layoff, unemployment compensation will be provided in the amount as set forth in the dollar benefit schedule of the state unemployment insurance program. The benefits shall be reduced by any amount which an employee is eligible to receive or does receive through state/federal unemployment.

(b) Eligibility. It is agreed:

(1) The claimant shall be a permanent employee of the County. For those employees having one-year probationary period, completion of six months full-time service with the County shall be considered as the qualifying period for unemployment compensation.

(4) A statement will be entered on the claim form declaring it to be a misdemeanor to misrepresent the condition of employment.

(5) Unemployment benefits will not be paid if disability insurance benefits are being paid.

If state unemployment insurance is implemented for employees covered by this article, this section will become inoperative for all employees covered by this article during the term of such coverage by the state program.

These include the right to participate in promotional examinations, and the right to return to his former class if released while in such status. All such service shall count toward seniority credits in the employee's former class in the event the layoff procedure is involved.

Any permanent employee who receives a provisional promotion, or who is transferred or promoted to a position and the unclassified service the duration of which is known to be for less than six months, shall be considered to be on leave from his permanent position, and departments are authorized to make substitute appointments to such vacant positions.

(a) Step one: The first step in each range is the minimum rate and shall normally be the hiring rate for the class. In cases where it is difficult to secure qualified personnel or a person of unusual qualifications is engaged, the Director, with the approval of the County Executive, may approve appointment at the second or third step, and with the approval of the Board of Supervisors at the fourth or fifth step.

(b) Step two: The second step shall be paid after the accumulation of six months of competent service at the first step.

(c) Step three: The third step shall be paid after the accumulation of 12 months of competent service at the second step.

(d) Step four: The fourth step shall be paid after the accumulation of 12 months of competent service at the third step.

(2) For a promotion of ten percent or more, the salary shall be adjusted to the step in the new range which provides for ten percent increase in salary, or to the first step in the new range, whichever is greater.

(b) Demotion. Notwithstanding the provisions of Section A25-660, upon demotion of an employee with permanent status in his/her current class, his/her salary shall be adjusted to the highest step in the new class not exceeding the salary received in the former class.

(c) Transfer. Upon transfer, the salary shall remain unchanged, or be adjusted in accordance with the rules for promotion if the salary level of the new class is higher.

(d) No loss of time-in-step. Notwithstanding the provisions of Section A25-660, no salary adjustment upon promotion, demotion, or transfer shall affect a loss of time acquired in the former salary step, and such time as was acquired in the former salary step shall be included in computing the accumulation of the required months of service for eligibility of the employee for further salary increases.

(e) Voluntary demotion. In the event of a voluntary demotion required by a work-connected illness or injury and resulting in a disability, the salary of the employee shall be placed at the step in the salary range which corresponds most closely to the salary received by the employee as of the time of injury. In the event that such voluntary demotion would result in a salary loss of more than ten percent, the employee's new salary shall be set at the rate closest to, but not less than ten percent below, his/her salary as of the time of injury.

(Code 1954, § 3.3.6-2; Ord. No. NS-304.14, § 16, 10-13-59; Ord. No. NS-304.21, § 6, 11-5-62; Ord. No. NS-304.29, § 1, 4-5-65; Ord. No. NS-304.49, § 10, 9-18-67; Ord. No. NS-304.58, § 1, 8-26-68; Ord. If any position is established on any other time basis, the compensation for such position shall be adjusted proportionately.

(b) A position created for full-time employment shall not be filled by a part-time employee except upon recommendation of the appointing authority and approval of the Director.

(Code 1954, § 3.3.6-3; Ord. No. NS-304.6, § 6, 6-18-56; Ord. No. NS-304.35, §§ 12, 13, 5-23-66; Ord. No. NS-304.78, § 5, 7-17-73)

For all other employees, overtime is defined as time worked beyond 40 hours in any work week or beyond eight or ten hours in any work day (depending on the number of hours in the duty shift to which the employee is assigned). All time for which pay is received but not worked such as vacation, sick leave, and authorized compensatory time off, will be counted towards the base period.

(b) Eligible classes. The County Executive shall determine by the administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

(c) Rate of pay. When overtime work is assigned and is authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of 1½ hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of 1½ times the regular hourly rate of pay, for employees where required by state or federal law, or when specifically authorized by administrative order of the County Executive. All compensatory time off must be taken within 12 months of the date the overtime was worked, and failure to take the compensatory time off shall be deemed a waiver of the compensatory time by the employee. In the event the appointing authority does not provide compensatory time off during the mandatory time period, the employee may take compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time would be lost. Compensatory time balances shall be paid in cash on separation. An employee may elect in advance to receive compensatory time off credit in lieu of cash compensation for overtime where compensatory time off is allowed, if the appointing authority agrees.

(b) Overtime meals. If an employee is assigned two or more hours of overtime work contiguous to his/her regular work shift, or is called in within three hours of his/her scheduled quitting time, the County will provide a meal and time to eat same or reimburse the cost of the meal actually purchased and consumed by the employee on his/her own time, to a maximum amount of $9.00. Employees shall be provided additional meals as above for every four-hour period of overtime completed thereafter.

(c) Meal rates. In each County dining facility where meals are served to employees at the employee’s expense, the department head in charge of the operation of that facility shall prescribe the rates to be charged. The rates so prescribed shall, as a minimum, be sufficient to defray the costs of the food served.

Holidays which fall on Saturdays shall be observed on the preceding Friday. Holidays which fall during a vacation period or when an employee is absent because of illness shall not be charged against the employee's vacation or sick leave balance. When the County holidays fall on an employee's scheduled day off, the day shall be added to the employee's vacation balance.

(c) Holiday work. If holiday work is assigned and authorized by the County Executive, such time worked by regular employees shall be paid in cash at a rate of 1½ times the regular hourly rate, plus any holiday pay to which the employees may be entitled. An employee may elect in advance to receive compensatory time off credit in lieu of cash compensation.

The first three days shall be charged to the employee's accrued but unused sick leave. If the temporary disability period exceeds 14 calendar days, temporary disability will be paid for the first three days and its value will be credited towards the employee's sick leave, compensable overtime or vacation time balance.

(c) Salary level. In the event of a demotion, the salary of the employee shall be established based on Section A25-661(e).

(e) Placement review. (f) Promotions. Any position which involves a promotion will call for the normal qualifying procedures, written and/or oral examination. However, if it is found that any employee meets all the qualifications for a higher paying position and an eligibility list is already in existence, the employee shall be allowed to take a written and/or oral examination, and, if the employee qualifies, the employee's name will be placed on the eligibility list commensurate with his/her score.

(g) Referral to accredited rehabilitation agency. In those cases where the County is unable, for one reason or another, to place an employee in any occupation, that employee's case will be referred to an accredited rehabilitation agency as approved by the Division of Industrial Accidents for testing, counseling and retraining at either the County's or State's expense.

CHAPTER VII. REPORTING OF IMPROPER GOVERNMENTAL ACTIVITY

Sec. A25-750. Purpose.

The County of Santa Clara has a paramount interest in protecting the integrity of its governmental institutions. To further this interest, individuals should be encouraged to report to the Board of Supervisors and the County Counsel possible violations of laws, regulations and rules governing the conduct of County officers and employees.

This ordinance also protects all County officers and employees from retaliation for filing a complaint with, or providing information about improper government activity by County officers and employees.

(Ord. No. NS-300.809, § 1, 3-23-10)

Any person who believes that a County employee or officer has engaged in improper governmental activity, as set forth below, should report such activity to the Office of the County Counsel. The Office of the County Counsel will provide the necessary complaint forms and, upon the filing of a complaint, will determine an appropriate course of action. If the allegations in the complaint concern activities within the Office of the County Counsel, the complainant should file the complaint with the Office of the County Executive.

The complaint shall provide information that a County officer or employee has engaged in improper governmental activity in violation of state or federal law, County ordinance or administrative memoranda. Examples of such improper conduct include but are not limited to: violating local campaign finance laws, conflict of interest laws, or governmental ethics; misusing County resources; or using a County position to advance a private interest.

(Ord. No. NS-300.809, § 1, 3-23-10; Ord. No. NS-300.819, § 1, 5-11-10)

Upon receipt of a complaint, each named office shall promptly plan and conduct an appropriate investigation and notify the other offices and the Board of Supervisors as appropriate. Depending on the nature of the alleged violation, the investigation may involve departmental management, Labor Relations and/or appropriate law enforcement agencies.

(a) Throughout the investigative process, all involved parties will treat the complaint and related information, including but not limited to information gathered and prepared in the course of the investigation of the complaint, as confidential unless otherwise necessary to conduct the investigation or if disclosure is required by state law.

(b) In situations potentially warranting involvement from law enforcement and/or licensing agencies, the County Counsel shall determine what action or referral should be made.

(c) At the conclusion of the investigation, the Board of Supervisors, County Counsel and/or the Department will take the necessary steps to address the improper governmental
activity, including any necessary systemic changes to minimize or prevent reoccurrence of any improper activity.

(Ord. No. NS-300.809, § 1, 3-23-10)

Sec. A25-753. No retaliation.

Any retaliation or reprisal by any County officer or employee against any complainant or informant is strictly prohibited; provided, however, if it is determined that a complaint was filed by a County employee in bad faith, said employee may be subject to appropriate disciplinary action. This prohibition against retaliation is in addition to the protections contained in Labor Code section 1102.5, and any amendment thereto.

(Ord. No. NS-300.809, § 1, 3-23-10)
