This Memorandum of Agreement is entered into by the County of Santa Clara (hereinafter referred to as the County) and Building and Construction Trades Council of Santa Clara and San Benito Counties (hereinafter referred to as the Union). This Memorandum of Agreement incorporates by this reference all appendices attached.
ARTICLE 1 – RECOGNITION

The County recognizes the Union as a majority bargaining representative for all classified and unclassified employees in coded classifications within the bargaining unit.

For the purpose of this Agreement, an employee shall be defined as a person employed in a coded classification in the bargaining unit covered by this Agreement.
ARTICLE 2 – NO DISCRIMINATION

Section 2.1 – Employment
The County and the Union agree that no employee shall in any way be discriminated against (except as required by law), because of age, sex, race, color, disability, creed, religion, union activity, affiliations, political opinions, or sexual orientation.

Section 2.2 – Union Affiliation
The County shall not discriminate for or against any employee or in any way coerce or influence any employee in his/her free choice to join or refrain from joining the Union.

Section 2.3 – Americans with Disabilities Act
During the term of the Agreement, the County and the Building and Construction Trades will review the County’s compliance actions pursuant to the Americans with Disabilities Act.
ARTICLE 3 – UNION SECURITY

Section 3.1 – Relationship Affirmation
Union recognizes its obligation to cooperate with the County to assure maximum service of the highest quality and efficiency to the citizens of Santa Clara County, consonant with its obligations to the employees it represents. County and Union affirm the principle that harmonious labor-management relations are to be promoted and furthered.

Section 3.2 – Agency Shop
a) Condition of Employment
All employees in the unit who have authorized a Union dues deduction which is in effect on the effective date of this Agency Shop Agreement shall have their dues deduction continued as a condition of employment. All employees in the unit who have authorized an agency fee deduction which is in effect on the effective date of this Agreement shall have their service fee deduction continued as a condition of employment.

All other employees on the effective date of this Agreement shall, within thirty (30) days following the effective date of this Agreement, execute an authorization for the payroll deduction of one of the following: (1) union dues, (2) a service fee equal to union dues, or (3) if he/she qualifies, a charity fee equal to the service fee to one of the negotiated funds that is exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The County shall promptly notify such employees in writing of this requirement.

All employees who become covered by this contract after the effective date of the Agreement shall at the time of hire or entry into this bargaining unit execute an authorization for one of the above payroll deductions as a condition of employment.

b) Charity Fee Deduction
To qualify for deduction of the charity fee, the employee must certify to the Union and County that he/she is a member of a bona fide religion, body or sect which has historically held conscientious objections to joining or financially supporting public employee organizations. Such exempt unit member will be required to submit to the Union and County a notarized letter signed by an official of the bona fide religion, body or sect certifying that person's membership. The Union will receive from the County bi-weekly proof of payment of an amount equivalent to such representation fee to one of the negotiated funds or organizations agreed to for alternative payment.

c) Involuntary Deduction
If any employee fails to authorize one of the above deductions within the thirty (30) day period, the Union may request that the County involuntarily deduct the agency fee from the employee's paychecks.

Prior to making a request for the County to involuntarily deduct the agency fee from any unit member's pay, the Union shall notify the unit member of the request. If the unit member and the Union are unable to reach agreement on the manner of payment, the Union shall certify to the County in writing that the employee whose pay is to be effected by the deduction has: (1) refused to join the Union; and (2) has refused to tender the amount of the service fee as defined herein;
and (3) does not qualify for an exemption under (b) herein. The County and the Union agree that such written certification is a condition precedent to the County's obligation to begin a payroll deduction.

d) Implementation Date
All deductions regarding such employees whether voluntary or involuntary shall all be implemented no later than ninety (90) days following the effective date of this Agency Shop Agreement.

e) Forfeiture of Deduction
If, after all other involuntary and insurance premium deductions are made in any pay period, the balance is not sufficient to pay the deduction of union dues, service fee or charity fee required by this Article, no such deduction shall be made for the current pay period.

f) Financial Documentation
The Union shall within (60) days after the end of each fiscal year provide the County with detailed financial documentation, which shall meet the requirements of Government Code Section 3502.5.

g) Reinstatement
Upon the reinstatement of any unit member, or upon the recalling of a unit member from layoff status, the County will resume or initiate dues, service fees, or charity fee deductions for such unit member in accordance with this Article.

h) Petition and Election
If a petition is filed with the County, which requires an election rescinding agency shop and such petition contains the signatures of at least thirty percent (30%) of the employees in a unit(s), an election will be held. Such election may only be held once during the term of this Agreement. The verification of the petition and the election shall be conducted by State Conciliation Service. Voting shall be by secret ballot, and the majority vote of all employees covered by the unit(s) shall control.

i) No Fault
The Union agrees to indemnify, defend, and hold the County harmless from any and all claims, demands, suits, or any other action arising from the provisions of this Article.

Section 3.3 – Fair Representation
It is recognized that the Union, as the exclusive representative of all unit employees, is required to represent all unit employees fairly and equally without regard to Union membership or non-membership or their assertion of rights under this Memorandum of Understanding of law.

Section 3.4 – Union Notices and Activities
a) Bulletin Boards
The Union, where it represents employees of a County department shall be provided by that department use of adequate and accessible space on bulletin boards for communications.

b) Distribution
The Union may distribute material to employees in its representation unit through normal channels.
Section 3.5 – Printing of Agreement
The parties agree to share equally the cost of printing copies of this Agreement. The Union shall reimburse the County for the actual cost of copies ordered by the Union. The design and format of the printed Agreement shall be jointly determined by the parties. It is agreed that the contract will be printed not more than one hundred and twenty (120) days after final agreement on all language.
ARTICLE 4 – OFFICIAL REPRESENTATIVES, STEWARDS AND NEGOTIATING COMMITTEE

Section 4.1 – Official Representatives
a) Notification of Official Representatives
The Union agrees to notify the County of their Official Representatives for each representation unit and changes in such Representatives.

b) Meetings with Management

Section 5.2 – Transfer of Prior Agency Service
If a function of another agency is transferred to the County, the seniority of employees who transfer with the function shall be computed based upon application of the definition of Section 5.1, to each employee's prior service with the other agency.

Section 5.3 – Changes to Classes
The County and the Union agree that to the extent possible, employees should not lose their rights under this Article because classes have been revised, established, abolished or retitled.

Section 5.4 – Order of Layoff

The Union shall receive concurrent notice, and upon request, shall be afforded an opportunity to meet with the County to discuss the circumstances requiring the layoff and any proposed alternatives. The procedures of Section 5.6 shall be applied prior to the effective date of the layoff.

Section 5.6 – Reassignment in Lieu of Layoff
a) Vacant Code in County
In the event of notice of layoff, any employee so affected will be allowed to transfer to a vacant position the County has determined is to be filled in their current classification or any classification at the same or lower level in which permanent status had formerly been held. Employees will not be required to transfer to vacant positions formerly held if the level for such vacancy would be lower than the level of any classification to which an employee could exercise displacement rights.

b) Displacement
In the event there are no vacancies as listed in (a), the employee shall have the right, upon request, to be returned to any classification in the Department/Agency at the same or lower level in which permanent status had formerly been held and the regular layoff procedure in that same or lower level shall apply. For the purpose of computing total service in the new class, the employee shall
be given credit for all time served in the class which the employee is leaving, plus any time previously served in the class to which the employee is being returned.

Section 5.7 – Layoff
In the event that an employee is not reassigned in lieu of layoff as in Section 5.6, the employee shall be laid off. If an employee elects not to exercise the rights in Section 5.6(b), he/she may be deemed to have been offered and to have declined such work.

Section 5.8 – Re-employment List
The names of such probationary and permanent employees reassigned or laid off in accordance with Sections 5.6(a), 5.6(b) or 5.7 of this Article shall be entered upon a re-employment list in inverse order as specified under Section 5.4. The person standing highest on a re-employment list for a particular classification when a vacancy exists in that classification in any Department/Agency, shall be offered the appointment. Employees on re-employment lists shall retain the right to take promotional exams and/or receive promotional preference on exams.

Section 5.9 – Temporary Work for Laid Off Employees
Interested employees who are placed upon the re-employment list due to layoff and who elect to be available for temporary work shall be given preference for such work in their former Department/Agency in the classification from which they were laid off. The election to be available for temporary work must be made at the time of layoff. Employees may decline to be available for temporary work or may decline such work itself without affecting any rights under this Article.

Section 5.10 – Names Dropped from Re-employment List
No name shall be carried on a re-employment list for a period longer than two (2) years, and the names of persons re-employed in a permanent position within the same classification shall, upon such re-employment, be dropped from the list. Refusal to accept the first offer of re-employment within the same classification shall cause the name of the person to be dropped from the re-employment list.

Section 5.11 – Rights Restored
Upon re-employment of an employee from a re-employment list, all rights acquired by an employee prior to his/her placement on such list shall be restored.

Section 5.12 – Return to Former Class

These include the right to participate in promotional examinations and the right to return to his/her former class if released while in such status. All such service shall count toward seniority credits in the employee's former class in the event the layoff procedure is involved.

Section 5.15 – Inplacement

If an employee has been issued a layoff notice pursuant to Section 5.5 and has no reassignment in lieu of layoff rights pursuant to Section 5.6 (a) and (b), then that employee shall be considered for inplacement.

Inplacement is an offer of transfer (within specific wage bands) or demotion to an employee with a layoff notice into a vacant position, which the County intends to fill during the layoff notice period.

The following conditions apply to the inplacement process:

   1. Testing requirements will be the same as if the employee had been reclassified.

   2. In determining qualifications and possible positions, transfers and demotions to both related and non-related classes may be considered.

b) Transfer will be deemed a "lateral transfer" if movement from one class to another does not exceed an upward salary change of 5% (five percent).

c) Normal transfer (ordinance code) rules apply (i.e., the employee can be taken on a permanent or probationary basis at the discretion of the appointing authority). If an employee has underlying permanent status the probationary period following the transfer shall be considered a subsequent probation. Consistent with this status, the employee on a subsequent probation with underlying permanent status has Personnel Board appeal rights.

d) The employee may express a preference for certain occupational fields, assignments or departments. However, the employee has no right to claim any position nor is the County required to offer placement.

e) A position shall not be considered "vacant" for inplacement purposes if the position has been identifiable as claimable under Section 5.6 (a) and (b) by another employee who has been issued a layoff notice under Section 5.5 or by an employee on a re-employment list established pursuant to Section 5.8.

f) An employee who is placed under Section 5.15 or laid off under Section 5.7 shall have his/her name placed on all re-employment lists pursuant to Section 5.8 for the appropriate classification.

g) In determining placement offers, the Union and the County, on a case-by-case basis, may by mutual agreement include as part of the placement offer:

   1. basic skill competency training and/or;
2. literacy training and/or;

3. other methods (other than transfer or demotion) of filling vacant positions that do not violate Merit System principles or County Ordinance Code provisions.

h) All inplacement offers must be made and accepted or rejected prior to the effective date of the layoff notice. Time permitting; the Personnel Department may assist employees on the re-employment list in addition to those employees with layoff notices. Such employees shall be entitled to all provisions of this Agreement.

i) If an employee is not placed by the effective date of the layoff notice, he/she shall be laid off under the provisions of the layoff notice.
ARTICLE 6 – PERSONNEL ACTIONS

Documentation of such counseling shall be given to the employee at the time of the counseling and will not be placed in an employee's personnel file. When the situation allows counseling, counseling shall be used prior to any unfavorable reports being issued. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

When overtime work is assigned and is authorized by an appointing authority to be worked, such overtime work shall be paid in cash at the rate of one and one-half (1 1/2) times the regular hourly rate of pay, including premium pay for shift differentials, for employees where required by State or Federal law or when specifically authorized by administrative order of the County Executive.

An employee may elect in advance to receive compensatory time off credit up to sixty (60) hours accrued time per year, which is to be used within a year’s time, in lieu of cash compensation for overtime where compensatory time off under FLSA is legally allowed and the appointing authority agrees.

Overtime work required beyond the regular eight (8) hours' duty shift shall be offered first to the regular employees who normally work such assignments.
