Section 10.2 - Sick Leave Bank Accrual
a) Sick Leave Bank Accrual
Each employee shall be entitled to an annual sick leave bank accrual. Sick leave is accrued on
an hourly basis and computed at the rate of sixty-four (64) hours per year and may be accrued
without limitation. The accrual factor per hour is .030651 and the accrual factor per full pay
period is 2.462.

b) First Day Usage
For each approved absence due to personal illness, or any other reason (applies to all leaves

to the STO bank or if the STO bank is exhausted to Leave Without Pay. Absences due to
verified personal illness or bereavement beyond the amount equal to one (1) full shift shall be
charged to the Sick Leave Bank (limited to two (2) days for bereavement). Such sick leave
bank usage must be approved by management.

Notwithstanding the above, an employee who experiences a continuation of a verified personal
illness or that of a member of the immediate family within 14 calendar days of her/his original
return to work, may charge the renewed absence directly to accumulated sick leave balance

initial period of time granted, up to one full shift, must be charged to the STO bank. The second
and third day shall be charged to sick leave if necessary. "Immediate family" shall mean the
mother, father, grandmother, grandfather of the employee or of the spouse or of the same sex
domestic partner of the employee and the spouse, son, son-in-law, daughter, daughter-in-law,
brother or sister of the employee or any person living in the immediate household of the
employee.

d) Doctor's Notes
Request for sick leave with pay in excess of three (3) working days must be supported by a
statement from an accredited physician. Management may require such a supporting statement
for absences of three (3) days or less.
e) **Bereavement Leave**
Leaves of absence with pay shall be granted employees in order that they may discharge the customary obligations arising from the death of a member of their immediate family. "Immediate family" shall mean the mother, father, daughter, son, grandmother, grandfather of the employee or of the spouse of the employee and the spouse, son-in-law, daughter-in-law, brother or sister of the employee or any person living in the immediate household of the employee. i) **STO Cash Out**

      Upon request, maternity leave without pay shall be granted to natural or adoptive parents by the appointing authority for a period of up to six (6) months. With notice no less than one (1) month prior to the conclusion of the leave, such leave may be extended up to one (1) year upon approval of the appointing authority. A request for extension can only be denied for cause. An employee who is pregnant may continue to work as long as her physician approves with concurrence from the Department.

      Adoptive parents shall be covered by County medical benefits while on leave in accordance with the County’s Family and Medical Leave Policy, as provided by law.

   2. Sick Leave Use
      If, during the pregnancy leave or following the birth of a child, the employee's physician certifies that she is unable to perform the duties of her job, she may use her accumulated sick leave during the period certified by the physician.

b) Paternity Leave
   Upon request, paternity leave without pay shall be granted to natural or adoptive parents not to exceed six (6) months.

c) Other Family Leave
   Upon request, family leave shall be granted for the placement of a foster child, or to attend to the serious illness of a family member in accordance with the County’s Family and Medical Leave Policy.
ARTICLE 12 - HOURS OF WORK, OVERTIME, PREMIUM PAY

Section 12.1 - Hours of Work
Eight (8) hours work shall constitute a full day's work and forty (40) hours work shall constitute a full week's work unless otherwise provided by law, code or other agreement.

Section 12.2 - Overtime Work
a) Overtime Defined - Employees Exempt from the Fair Labor Standards Act (FLSA)
   Overtime is defined as time worked beyond forty (40) hours in any workweek or beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the employee is assigned). Time for which pay is received but not worked, such as vacation, sick leave, and authorized compensating time off, will be counted towards the base period. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

b) Overtime Defined - Employees Covered by FLSA
   Overtime is defined as time worked beyond forty (40) hours in any seven consecutive day work period or time worked beyond the work period maximum if another work period is permitted and designated by the County under FLSA. Overtime is also defined as time worked beyond eight (8) or ten (10) hours in any workday (depending on the number of hours in the duty shift to which the employee is assigned). Time for which pay is received but not worked, such as vacation, sick leave, and authorized compensating time off, will be counted towards the base period. The County Executive shall determine by administrative order those classes and positions which shall be eligible for overtime work and for cash payment.

The County and Union agree that in any arbitration involving an FLSA non-exempt employee and Section 11.2 the arbitrator shall be strictly bound by U.S. Department of Labor, Wage and Hour Division, Regulations, Bulletins, Regional Opinion Letters and provisions of the Fair Labor Standards Act in reviewing, deciding and rendering a decision. The arbitration award and remedy must be in strict compliance with said Regulations, Bulletins, Regional Opinion Letters and provisions of the FLSA and cannot exceed that which would have been ordered by the DOL, Wage and Hour Division if the dispute had been submitted for their review. By this provision the Union does not waive enforcement provisions of FLSA that cannot legally be waived.

If the Fair Labor Standards Act is determined by the U.S. Supreme Court or Legislation to not apply to state and local government 11.2 b) will be deleted and 11.2 a) shall apply to all classifications.

c) Rate of Pay - Employees Exempt from FLSA
   When overtime work is assigned and authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half times the hourly rate of pay when specifically authorized by administrative order of the County Executive. All compensatory time off must be taken within twelve (12) months of the date the overtime was worked. Any balance
remaining after twelve (12) months from the date it is earned shall be paid in cash at the hourly rate of pay. In the event the appointing authority does not provide compensatory time off during the mandatory time period, the employee may take the compensatory time off as a matter of right immediately before the end of the pay period in which the compensatory time would be lost. Compensatory time off accruals/balance shall be limited to a maximum of two hundred and forty (240) hours. Compensatory time balances shall be paid in cash on separation.

d) Rate of Pay - Employees Covered by FLSA
When overtime work is assigned and authorized by an appointing authority to be worked, compensation for such time worked shall be time off with pay computed at the rate of one and one-half hours off for every hour of overtime worked, except that such overtime work shall be paid in cash at the rate of one and one-half times the regular hourly rate of pay for employees where required by state or federal law or when specifically authorized by administrative order of the County Executive. All compensatory time off must be taken within twelve (12) months of the date the overtime was worked. Any balance remaining after twelve (12) months shall be paid in cash at the regular rate of pay. Compensatory time off accruals/balance shall be limited to a maximum of four hundred and eighty (480) hours. Compensatory time balances shall be paid in cash on separation.

Section 12.3 - Call-Back Pay
a) Employees may be ordered back to work during non-work hours. Under situations where the employee is ordered and “called back” to work the employee shall receive a minimum of three (3) hours pay for each call-back at the overtime rate, excluding the unpaid lunch period. This section does not apply to those employees who accept voluntarily to work available overtime.

b) An employee is not eligible for call-back pay when the employee is scheduled in advance to work at a time other than their regularly scheduled shift.

c) If an employee is called back on a day the employee was not scheduled for duty or if an employee is called back for a department-wide emergency, declared by the Appointing Authority, the employee shall receive additional pay from the time the call-back is made up to a maximum of one (1) hour.

d) If an employee is called back from scheduled vacation, he/she will receive overtime pay rather than vacation credit. Such pay will be entered into the payroll following the employee's return to work from vacation.

Section 12.4 - On-Call Pay
a) Definition
On-Call is defined as the requirement to remain immediately available to report for duty to perform an essential service when assigned by one in authority. On-Call duty is in addition to and distinct from the normal workweek. This section is not applicable to those situations where employees are recalled to work when not previously placed on an on-call status.

b) Classifications Eligible
Each department head, subject to approval by the County Executive, shall designate which class(es) of employee(s) shall be subject to on-call status.

c) Rate of Pay
Employees assigned to on-call duty shall receive, in addition to their regular salary one dollar and eighty-eight cents ($1.88) for each hour, or substantial portion thereof, of assigned on-call duty.

Section 12.5 - Bilingual Pay
On recommendation of the Appointing Authority and the Director of Personnel, the County may approve payments of one hundred forty dollars ($140) per month to a bilingual employee whose abilities have been determined by the Director of Personnel as qualifying to fill positions requiring bilingual speaking and/or writing ability. Bilingual skill payments will be made when:

a) Public contact requires continual eliciting and explaining information in a language other than English; or

such vacancy would be lower than the level of any classification to which an employee could exercise displacement rights.

The County shall provide a listing of appropriate vacancies and the affected employee(s) shall select a vacancy for which he/she qualifies under 14.6 (a). The employee(s) shall appear at a time and place designated by the County which shall be approximately ten days after the notice of layoff. b) Employees who were laid off from half-time positions shall be offered full-time employment, and employees laid off from full-time positions shall be offered half-time positions. However, an employee's refusal to accept such an offer will not be counted as a refusal of an offer of employment in Section 14.10 (a) above.

Section 14.11 - Rights Restored
Upon re-employment of an employee from a re-employment list, all rights acquired by an employee prior to his/her placement on such list shall be restored.

These include the right to participate in promotional examinations, and the right to return to his/her former class if released while in such status. All such service shall count toward seniority credit in the event the layoff procedure is involved.

Any permanent employee who receives a provisional promotion, or who is transferred or promoted to a position in the unclassified service the duration of which is known to be for less than six (6) months, shall be considered to be on leave from his permanent position, and departments are authorized to make substitute appointments to such vacated positions.

Section 14.13 - Inplacement

c) Normal transfer (ordinance code) rules apply (i.e.: the employee can be taken on a permanent or probationary basis at the discretion of the appointing authority). If an employee has underlying permanent status the probationary period following the transfer shall be considered
a subsequent probation. Consistent with this status, the employee on a subsequent probation with underlying permanent status has Personnel Board appeal rights.

d) The employee may express a preference for certain occupational fields, assignments or departments. However, the employee has no right to claim any position nor is the County required to offer placement.

e) A position shall not be considered "vacant" for inplacement purposes if the position has been identified as claimable under Section 14.6 (a) or (b) by another employee who has been issued a layoff notice under Section 14.5 or by an employee on a re-employment list established pursuant to Section 14.8.

f) An employee who is placed under Section 14.13 or laid off under Section 14.7 shall have his/her name placed on all re-employment lists pursuant to Section 14.8 for the appropriate classification.

Time permitting, the Personnel Department may assist employees on the re-employment list in addition to those employees with layoff notices. Such employees shall be entitled to all provisions of this Agreement.

Employees holding a position in the competitive service who are promoted to another position in the competitive service shall serve a promotional probationary period of six (6) months. Upon successful completion of such promotional probationary period, the employee shall be deemed a permanent employee in such classification. Leaves of absence without pay shall not be credited towards completion of any probationary period. All probationary employees shall have all rights set forth in this Agreement, unless otherwise specified, including full and complete access to the grievance procedure, provided only that, consistent with County Charter Section 704(e), probationary employees may not grieve suspensions, demotions or dismissals.
ARTICLE 19 - RECRUITMENT PROCESS

The recruitment process for the Criminal Investigator III will be conducted in accordance with the Merit System Rules and will not be done via an alternately staffed transfer opportunity.
ARTICLE 20 - GRIEVANCE PROCEDURE

The County and DAIA recognize early settlement of grievances is essential to sound employee-employer relations. The parties seek to establish a mutually satisfactory method for the settlement of grievances of employees, DAIA, or the County. In presenting a grievance, the aggrieved and/or his representative is assured freedom from restraint, interference, coercion, discrimination or reprisal.

Section 20.1 - Grievance Defined

1. Pay administration and other items relating to pay as found in County Ordinances
2. Alleged violations of Merit System Rules
3. Alleged violations of the Employee-Management Relations Ordinance
4. Alleged violations of this Memorandum of Understanding and/or Agreement
5. Disciplinary actions taken under Section 708 of the County Charter

b) Matters excluded from consideration under the Grievance Procedure:

2. Position Classification
3. Workload/Caseload
4. Merit System Examinations
5. Items requiring capital expenditures
6. Items within the scope of representation and subject to the meet and confer process
7. Probationary Release

Section 20.2 - Grievance Presentation
Employees shall have the right to present their own grievance or do so through a representative of their own choice. Grievances may also be presented by a group of employees, by DAIA, or by the County. No grievance settlement may be made in violation of an existing rule, ordinance, memorandum of agreement or memorandum of understanding, nor shall any settlement be made which affects the rights or conditions of other employees represented by DAIA without notification to and consultation with DAIA. Individual employee grievances may not proceed beyond Step 1 without written concurrence of DAIA at each step.
Section 20.3 - Procedural Compliance
DAIA grievances shall comply with all foregoing provisions and procedures. The County shall not be required to reconsider a grievance previously settled with an employee if renewed by DAIA, unless it alleges that such grievance settlement is in violation of an existing rule, ordinance, memorandum of understanding or memorandum of agreement.

Section 20.4 - Informal Resolution/Time Limits
It is agreed employees will be encouraged to act promptly through informal discussion with their immediate supervisor on any act, condition or circumstance which is causing employee dissatisfaction and to seek action to remove the cause of dissatisfaction before it serves as the basis for a formal grievance. Time limits may be extended or waived only by written agreement of the parties.

Section 20.5 - Formal Grievance
a) Step 1
Within fifteen (15) working days of the occurrence or discovery of an alleged grievance, the grievance shall be presented in writing to the Appointing Authority as appropriate. A copy of the grievance shall be sent to the Department of Labor Relations and this copy shall dictate time limits. The grievance form shall contain information which:

1. Identifies the aggrieved;
2. Contains the specific nature of the grievance;
3. Indicates the time or place of its occurrence;
4. States the rule, law, regulation or policy alleged to have been violated, improperly interpreted, applied or misapplied;
5. Indicates the consideration given or steps taken to secure informal resolution;
6. States the corrective action desired; and,
7. Gives the name of any person or representative chosen by the employee to enter the grievance.

A decision by the department shall be made in writing within twenty (20) working days of the receipt of the grievance.

b) Step 2
If the aggrieved continues to be dissatisfied he may, within ten (10) working days after the receipt of the Step 1 decision, direct a written presentation to the County Executive or designated representative indicating whether the aggrieved wishes 1) the County Executive or designated representative to review and decide the merits of the case or whether 2) the aggrieved wishes the grievance to be referred to an impartial arbitrator mutually agreed upon or jointly selected from a panel provided by the State Mediation and Conciliation Service. The
arbitrator's compensation and expenses shall be borne equally by the employee or DAIA and the County, provided employee grievances shall be arbitrable only at the expressed request of the employee involved and with the concurrence of DAIA unless the grievance is deemed a DAIA or group grievance prior to submission to Step 2. Decisions by the County Executive or designated representative or the arbitrator shall be final and binding.

Section 20.6 - Arbitration Release Time
The following statement on employee participation in grievance arbitration hearings is agreed to:

a) The employee on whose behalf the grievance has been filed will be granted release time for the entire hearing. Release time to serve as a witness will be granted on a scheduled basis, i.e., when the employee is scheduled to appear. In the case of a group grievance, release time will be granted for the designated spokesperson for the entire hearing.

b) Other requests for leave for the purpose of participation in a grievance arbitration hearing will also be granted and charged to the employee's own leave time provided the absence does not unduly interfere with the performance of service.
ARTICLE 21 - PRINTING OF AGREEMENT

The County it will publish the MOU in PDF form within sixty (60) days after final agreement on all language.
ARTICLE 22 - FAVORED NATIONS

The Parties agree that, during the term of this Agreement, County-wide increases to benefits, such as medical, dental, life insurance, vacation, sick leave, holidays, or retirement may be applied to employees in this unit. The County agrees to provide notice, in writing, to the DAIA President in advance of any anticipated changes in benefits as early as possible and to provide an opportunity for the DAIA to discuss such changes with the County.
ARTICLE 23 - FULL AGREEMENT

It is understood this Agreement represents a complete and final understanding on all negotiable issues between the County and DAIA. This Agreement supersedes all previous memoranda of understanding or memoranda of agreement between the County and DAIA except as specifically referred to in this Agreement. All ordinances or rules covering any practice, subject or matter not specifically referred to in this Agreement, shall not be superseded, modified or repealed by implication or otherwise by the provisions hereof. The parties, for the term of this Agreement, voluntarily and unqualifiedly agree to waive the obligation to negotiate with respect to any practice, subject or matter not specifically referred to or covered in this Agreement even though such practice, subject or matter may not have been within the knowledge of the parties at the time this Agreement was negotiated and signed. In the event any new practice, subject or matter arises during the term of this Agreement and an action is proposed by the County, DAIA shall be afforded all possible notice and shall have the right to meet and confer upon request. In the absence of agreement on such a proposed action, the County reserves the right to take necessary action by management direction.
ARTICLE 24 - SAVINGS CLAUSE

In the event that any provision of this Agreement should be held invalid by operation of law or by any court of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by any tribunal, the remainder of this Agreement shall not be affected thereby, and the parties shall enter into negotiations for the sole purpose of arriving at a mutually satisfactory replacement for such provision.

If the State of California notifies the County of Santa Clara that legislation has been implemented which assesses monetary penalties to local governments which settle wages and/or benefits with increases in excess of certain limits (an example of such legislation is AB 1040, which was introduced in Spring 1991), those benefits and/or wages shall not be implemented or continue to be paid. The parties shall immediately enter into negotiations for the sole purpose of arriving at a mutually agreed alternative.

The County reserves the right to cease payment or seek repayment of wages and/or benefits upon which the State of California is basing the monetary penalty. DAIA reserves the right to contest the legality of the payment cessation or repayment.

It is understood that the purpose of this Section is to ensure that the County does not incur any liability or penalties on either the original Agreement provisions, or the negotiated alternate provisions.
ARTICLE 25 - TERM OF AGREEMENT

This Agreement is operative for the term described and shall become effective upon approval by the Board of Supervisors and ratification by the bargaining unit. This Agreement shall remain in full force and effect from September 1, 2014, to and including August 25, 2019; and from year to year thereafter; provided, however, that either party may serve written notice on the other at least sixty (60) days prior to August 25, 2019, or any subsequent August 25th of its desire to terminate or amend this Agreement or amend any provision thereof.
