PROFESSIONAL DEVELOPMENT FUND FORM

Below are instructions on how to effectively employ the Professional Development Fund (PDF). PDF is a contractual benefit under Section 12.1 Professional Development Fund of the MOU. According to RNPA’s agreement with the County, a negotiated sum of monies is allocated to this fund every fiscal year beginning July 1 and closing June 30.

This fund can be utilized for education, costs related to traveling (mode of travel, lodging, food, etc.), certification and licensure (BRN License) reimbursement.

Individual applications are funded on a matching basis: 50% by the nurse and 50% by the County, and up to a maximum County contribution of $300.00 per nurse, per fiscal year. Requests for PDF must relate to the nurse’s job or one to which the nurse could reasonably aspire within the County service.

There are two forms recognized in accessing Professional Development Fund reimbursement; this form which is entitled Professional Development Fund Form and can be used for reimbursement costs listed above and is available through RNPA website or the Employee Development (ED) website. The second form is the Licensure Form, and is available through your Manager. All instructions for Licensure are outlined on that specific application.

Travel

Costs will be applied to the fund based on the least expensive mode of travel.

- **Airfare**: Proof of cost and proof of payment are required. Documentation must show dates/times and cost of travel. This can be a complete copy of the receipt, tickets(s), or a complete (detailed) itinerary showing all dates/times and costs with a paid balance.

- **Mileage**: Mileage reimbursement is calculated at the current rate. Only mileage to/from the work site/event location is eligible. Parking is included with receipts. Mileage for County cars is not included. If the mode of travel is other than automobile, and the employee claims mileage for transportation to/from the airport (or common carrier); the fund will pay for mileage to/from the work site and parking (car storage), **OR** taxi/shuttle fee for the same route, whichever is less.

- **Shuttle / Taxi / Parking**: Transportation (usually to/from the airport) & parking will be paid based on receipts. If there are no receipts, an expenditure of $10.00 or less will be allowed. (Many hotels offer free shuttles to/from the airport. If a free shuttle is indicated in the brochure, a fee cannot be applied to the fund.)

- **Rental Cars**: The daily flat rate for the automobile is eligible for reimbursement. The fund will not cover insurance, fuel, mileage fees, or other ancillary fees.

- **Train/Bus**: The standard requirements (proof of dates of travel, cost & payment) apply.

- **If traveling out of the 48 contiguous states submission to RNPA must be Twenty (20) working days prior to travel date so it can be processed by ED and the County Executive’s Office.**

PLEASE NOTE:

- Items not applicable for reimbursement include charges for: telephone use, movie rentals, honor bar purchases, tips, valet services, insurance, fuel or oil.
- These guidelines are written in accordance with the County Travel Policy. Where there is a conflict or omission, the County Travel Policy will take precedence. Some of the information in the County Travel Policy does not pertain to travel using the Professional Development Fund. For instance: using a Pcard for travel is not permissible. There are no cash advances allowed via the Professional Development fund. It is not expected that employees will use the County’s travel agency for this type of travel reimbursement.
- Finally the County expects the employees to use reasonable and prudent use of public funds. If you have questions, please contact RNPA Office at 292-6061.
