## Transitional Housing

Provides temporary housing and site-based services for people experiencing homelessness, a program model most effective for specific subpopulations, such as:
- Youth, especially Parenting Youth
- Veterans
- Homeless individuals and families enrolled in a permanent housing program and searching for apartments

## Outreach

- Engages with people experiencing homelessness on the street, in parks and other public spaces, and in vehicles
- Acts as an access point for the Coordinated Assessment System and for emergency shelter
- Locates people in the Coordinated Assessment System who have been referred to a housing program

## Affordable Housing Development

Construction of new affordable housing provides a path to long-term housing stability for individuals and families experiencing homelessness and helps avoid future occurrences of homelessness caused by extreme housing costs.

## Emergency Shelter

- Provides a safe place to sleep for people experiencing homelessness
- Provides meals, showers, other basic needs, and connections to other community resources
- Acts as an access point to the Coordinated Assessment System

## Homelessness Prevention

- Helps individuals and families who are about to lose their housing to remain housed where they are or move to new permanent housing
- Acts as an access point to the Coordinated Assessment System

## Permanent Supportive Housing

Helps individuals and families with disabilities maintain permanent housing through long-term rental subsidies, connections to medical and behavioral health care, and other services.
