

BUILDING HOMES, CHANGING LIVES

2016 Affordable Housing Bond Progress

In November of 2016, Santa Clara County voters approved a \$950 million Affordable Housing Bond. It is projected that the Housing Bond will fund 120 new affordable housing developments over ten years, including 4,800 new units dedicated to Extremely Low-Income and Very Low-Income households. In addition, the County will establish rental and ownership opportunities for Moderate Income households.

The Housing Bond provides the means for the County to give our community's poorest and most vulnerable residents a fresh start. Many of our veterans, teachers, nurses, single parents, senior citizens, the disabled, foster youth, victims of abuse, chronically homeless, and individuals suffering from mental health or substance abuse illnesses are in need of innovative and effective housing solutions.

THE SOLUTION TO HOMELESSNESS IS MORE AFFORDABLE HOUSING

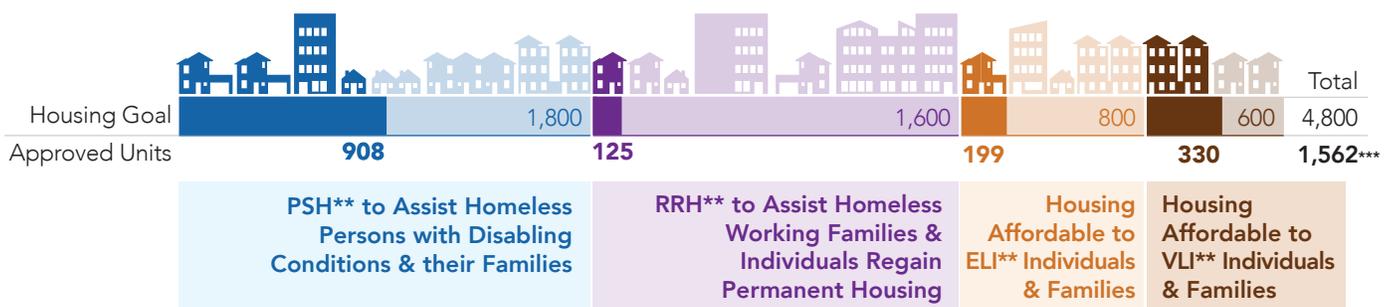

The County's Office of Supportive Housing is leading efforts to increase the supply of housing by funding and spurring the development of housing for low-income households with a prioritization for the poorest and most vulnerable residents who are disproportionately impacted by the lack of affordable housing.
