Problem Resolution Process”)

Referral Process
1. Service Coordinators from the Department of Family and Children’s Services prioritizes and refers potential candidates to the Project Manager of the Care Coordination Project (CCP). Taking into consideration the qualifying criteria established by the State (as stated in the MHSA application) and the additional criteria specified by the BHD (as stated in D.6, Tenant Selection Plan), CCP Manager will assign the identified applicants to a CCP Intensive Case Manager (ICM). The ICM will engage the applicants, contact the their service provider and, at the appropriate time, fill out the required documentation (as specified in D.6.) and submit it to the BHD’s designated staff person, who will continue the tenant selection process (as noted in D.6.).

2. The BHD Homeless Concerns Coordinator will inform the service providers in the BHD System of Care of the eligibility criteria and the Care Coordination Project’s process so they will know if they have individuals who are potentially qualified.

Certification Process
1. Once the required documentation is turned into the CCP Manager, the BHD will verify that the information presented in the enclosed forms is accurate—thereby certifying that the individuals are indeed qualified for this housing—fill out and sign the MHSA Housing Program Tenant Certification Form, and inform (in writing, within seven (7) business days of the receipt of the names) the appropriate service provider of the certification of its respective applicants. If any applicants are not certified, the BHD will inform the service provider of the reason(s). Only applicants that have been certified as eligible for MHSA housing may obtain tenancy in MHSA Housing Program-funded units.

2. MHSA certification does not take into consideration factors such as credit history, eviction history, or criminal history. The housing provider (landlord) may collect this background information after a certified applicant is referred for a particular unit. MHSA housing providers are expected to work with BHD service providers to provide reasonable
accommodations to individuals with poor tenant histories given the intention of the MHSA Housing Program.

Maintenance of Housing Registry

1. The BHD will track the tenants to be housed in all MHSA designated units. For reporting purposes, BHD staff will maintain the list of referred applicants and the list of all MHSA tenants housed in the MHSA housing units. BHD staff will maintain copies of all completed Consent to Release Confidential Health Information Forms, MHSA Housing Program Application Forms and a list of all certified applicants, which includes the date their applications were received. This approach will ensure that there will be enough applicants to fill MHSA unit vacancies in a timely fashion.

2. For this project, the BHD staff person will maintains the list of applicants as follows:
   a) For the initial rent-up, after all the MHSA applicants have been certified as qualified MHSA tenants, a letter is sent to the Property Manager indicating that they are certified applicants for the MHSA designated units.
   b) In the future, when the BHD staff person sees that a MHSA unit will become available, he/she contacts the Service Coordinators from the Department of Family and Children’s Services who will refer potential candidates to the CCP Manager who will take the necessary steps to get that person connected to a Case Manager who will prepare the applicant to apply for his/her unit.
   c) The qualified applicant has already signed the Consent to Release Confidential Health Information Form, granting the BHD Housing administrative staff and the Property Management Company access to the specified information. After the applicant is certified as a qualified applicant, the BHD staff person sends a letter to the property management staff (with a copy to the Case Manager) indicating that the tenant is a qualified applicant for the MHSA-designated unit at the housing complex.
   d) The applicant’s Case Manager or the Housing Support Liaison will guide the qualified tenant in filling out the application and lease documentation required for the respective housing site.
   e) If a qualified applicant is not approved for tenancy in a specific unit, the Property Manager will notify the individual in writing and provide a basis for non-selection; and the Property Manager also will notify the individual of his/her right to appeal the decision.
