California Strategic Growth Council

The County, the Project Team, and all those who contributed to this Project express their deep appreciation for the support of the California Strategic Growth Council. Silicon Valley 2.0—and the launch of a diverse partnership alliance to plan, collaborate, and realize actions for a resilient, competitive region—have been made possible through a grant under the California Strategic Growth Council's Sustainable Communities Planning Grant and Incentives Program.

Governor’s Office of Planning & Research, State of California
