

five great parks!

Save gas, save time—

Camp in a redwood forest, dine alfresco in a rolling, oak-studded grassland. Nap away an afternoon next to a sparkling creek. And best of all, your outdoor home away from home is just minutes away.

To Return Home

"Thousands of tired, nerve-shaken, over-civilized people are beginning to find out that going to the mountains is going home; that wildness is a necessity; and that mountain parks and reservations are useful not only as fountains of timber and irrigating rivers, but as fountains of life."
