Neighborhood Naturalists

a beginner’s natural history class for adults

Thursdays: October 3, 10 & 17 | 6-7:30pm
Classes meet at McClellan Ranch Preserve, 22221 McClellan Road, Cupertino

Curious about the natural world in your own backyard? This new educational program for adults will introduce participants to the natural history of Santa Clara County with an emphasis on the region’s geology, native plants, and common wildlife. Evening courses will include twilight hikes, investigations, lectures, and nature journaling.
