You are invited to attend a public meeting on Tuesday, November 7, 2017, for the Sanborn County Park Master Plan.

The County of Santa Clara Parks and Recreation Department is in the process of preparing a master plan for Sanborn County Park. The Sanborn County Park Master Plan will be a guiding document that outlines the Parks Department’s long-term vision for the park, including a set of recommendations for the development, improvement and/or use of the Park’s facilities, the Welch Hurst House, the Christensen Nursery site, the Dyer House, and the former Christmas tree farm.

Through the Master Plan process, the Parks Department is considering the long-term feasibility of a variety of proposed uses of the facilities, including user preference and need, market viability, environmental benefits or impacts, and future partnership opportunities. The process will additionally evaluate how each potential use will enhance visitor services and revenue generating opportunities in the Park and how each use might be appropriately incorporated into the Park’s existing character, natural features and surroundings.

Public Meeting
Tuesday, November 7, 2017
6:00 p.m. to 8:00 p.m.
Joan Pisani Community Center
19655 Allendale Avenue
Saratoga, CA 95070

Project Location
Sanborn County Park is located between the city of Saratoga and Skyline Boulevard, in the eastern slopes of the Santa Cruz Mountains.

Purpose of Public Meeting
Members of the community and interested representatives are invited to attend this meeting to learn more about the Master Plan project and provide input on the proposed plan. We look forward to your participation in this public meeting to help shape the future of Sanborn County Park.
