LOW INCOME ANNUAL VENTURE PASS

Santa Clara County Parks Department and the Santa Clara County Social Services Agency have joined together to provide a program making Annual Vehicle Entry Passes available to low income families and individuals residing in Santa Clara County. The program will be administered via Department of Family and Children's Services and Family Resource Centers (FRC). Staff at the Family Resource Centers located in San Jose and Gilroy will determine eligibility of participants, accept the \$25.00 fee and issue the passes in as little as 15 minutes.

Eligibility for the program is based on one of the following criteria:

1. Families and individuals receiving public assistance such as: Medi-Cal, CalFresh, SSI or participating in the CalWORKs program.
2. Families and individuals receiving Department of Family and Children's Services (DFCS) such as: Prevention Programs, Family Support, Early Intervention, Safety & Wellbeing, and Resource Families.
3. Customers/families who are using resources at the DFCS San Jose or Gilroy Family Centers.

The customer will need to provide a photo identification, verification of one of the eligibility criteria and know the license plate number of the vehicle associated with the pass

A Family Resource Center staff will determine which of the criteria to issue a pass and provide the customer with an Annual Pass Information Form to complete and then submit with their \$25.00 fee. The Family Resource Center staff will provide the park pass with instructions and punch the month of the expiration.

Annual Vehicle Entry Passes are valid for a period of one year from the date of issue. Upon expiration of the pass a customer has the option to purchase a new pass at full price from the Parks and Recreation Department or return to a Family Resource Center to determine if they still meet eligibility requirements.

Seniors, over the age of 60yrs, that do not meet the above criteria may purchase an annual pass at the reduced rate of \$48.00 through the Parks Administration Office or a local Santa Clara County Park.
