Wildflower Treasure Hunt

During spring months in California, we are graced with the presence of many beautiful colors and shapes that dot the hillsides. The flowers pictured here are commonly found in Santa Clara County Parks. Please take only pictures and leave the flowers for others to enjoy.

If you're taking pictures, share them with us and others on County Parks' facebook and instagram sites!

Can you find them all?

❑ *Blue Eyed Grass*

❑ *Beautiful Jewelflower*

❑ *Johnny Jump-Up*
