SHARING THE TRAILS
Sanborn Park's trails offer recreational opportunities for hikers, joggers, equestrians and bicyclists. For the safety and protection of all visitors, please adhere to the following trail etiquette guidelines.

Stay on Designated Trails: Horses and bicycles are not allowed on the Whole Access Trail or paved trails in the day use area. Bicycles allowed on park roads and designated trails only. No riding or bicycling in walk-in campground.

Be Considerate: Yield to faster trail users. Respect everyone's right to use the trail.

Be Aware of Conditions: Hiking, riding, or bicycling when conditions are poor, such as shortly after a rain, should be done with caution. Horseback riding and bicycling are subject to restrictions due to poor conditions.

Plan Ahead: Know your equipment, ability and where you are going. Inform others of your itinerary. Carry necessary supplies for changes in weather or other conditions.
