

Our Mission

It is the mission of the Santa Clara County HIV Commission to create an effective, compassionate and comprehensive system of HIV prevention and care services to all people living in Santa Clara County.

Congratulations on becoming a member of the Santa Clara County HIV Commission. This manual provides a variety of information to assist you during your term(s) with the Commission, ranging from an orientation to the Commission, its roles and functions; the Ryan White HIV/AIDS Program; Commission bylaws and policies; your role as an appointed member of the Commission; membership rosters; and other resource materials.

The HIV Commission is an integrated body, serving as the Ryan White HIV/AIDS Program Part A planning body, the Ryan White HIV/AIDS Program Part B consortia program, the Community Planning Group/Local Implementation Group for prevention, as well as other activities determined by the Commission and/or the Board of Supervisors.

Legislation, regulations and funding policies are under continuous revision; and you will receive updated information as it becomes available. Please be sure to update your member manual so that you have the most current information. Should you have any questions, or need clarification on any of the materials contained in this manual, please contact the HIV Commission support staff at: HIVCommission@phd.sccgov.org or 408-792-5210.

On behalf of the Santa Clara County HIV Commission and the STD/HIV Prevention & Control Program, we thank you for becoming a member; and look forward to working with you.
