Know Your Voting Rights

You Have the Right to:

- **Vote if you are a registered voter even if your name is not on the list.** You will be directed to vote provisionally. Your provisional ballot will be counted after elections officials have confirmed that you are registered to vote in that county, and you did not already vote in that election.
- **Vote if you are still in line when the Vote Center or Registrar of Voters' office closes.**
- **Cast a secret ballot** without anyone bothering you or telling you how to vote.
- **Request a new ballot if you have not already cast a ballot.** Request a new ballot from an Elections Official at any Vote Center or from the Registrar of Voters' office.
- **Ask for help when casting your ballot** from anyone you choose, except from your employer or union representative.
- **Drop off your completed Vote by Mail ballot at any Vote Center** in Santa Clara County.
- **Receive election materials in a language other than English** if available.
- **Ask questions to election officials about election procedures** and observe the election process. If the person you ask cannot answer your questions, they must send you to the right person for an answer.
- Report any illegal or fraudulent election activity to an election official or the Secretary of State's office.
