SAMPLE BALLOT PAMPHLETS BEGIN MAILING FOR JUNE 7 PRESIDENTIAL PRIMARY ELECTION

SANTA CLARA COUNTY, CALIF. -- The Registrar of Voters' Office began mailing Sample Ballot and Voter Information Pamphlets today to Santa Clara County voters for the June 7, 2016 Presidential Primary Election.

The sample ballot pamphlet is mailed to every registered voter beginning 40 days before each election. It contains important information that will help voters cast their ballots, including voting instructions, a sample of the ballot, and information about local candidates and measures.

Mailing will continue through the week as the pamphlets are printed. Almost 1.2 million pamphlets will be produced for this election to send to voters and to have available at polling places on Election Day. Pamphlets are printed in five different languages as required by federal and state law: English, Chinese, Spanish, Tagalog and Vietnamese.

The sample ballot pamphlets include a Vote by Mail application that can be removed from the back cover. Voters can request a Vote by Mail ballot for this election only, or they can sign up to be a Permanent Vote by Mail voter and automatically receive a mailed ballot in every election. Vote by Mail applications can also be found online at [Vote by Mail Application](#). Vote by Mail ballots for this election will be mailed beginning on Monday, May 9.

The Registrar of Voters' Office will include a postage-paid return envelope with every Vote by Mail ballot. In previous elections, voters had to pay the cost of return postage, which frequently exceeded a single first-class stamp.

Notably, Santa Clara is only the second county in the state to feature prepaid postage for Vote by Mail ballots. Registrar of Voters Shannon Bushey stated, "There is no more important action in a democracy than voting. The Registrar of Voters' Office is passionate about increasing voter turnout and we hope that we will make it easier to vote by providing prepaid postage for all Vote by Mail ballots."

Voters are encouraged to review the pamphlets carefully, whether they vote by mail or at the polls. Voters can avoid making mistakes at the polls by marking their choice on the sample ballot first and then using it as a guide to complete their official ballot.

The pamphlet includes candidate and measure statements, which can help voters make informed decisions. Voters who go to the polls are encouraged to take their sample ballot pamphlets with them to help speed up the process on Election Day. Each voter's assigned polling place location is printed on the back cover of the pamphlet.

The last day to register to vote in the election is Monday, May 23 and can be done online at [Register to Vote](#). Voters who want to check their registration status may do so on the website at [Check Your Registration Status](#).

A voter should complete a new registration form if he or she has moved, changed a name(s), or would like to change his or her political party preference. To register to vote in Santa Clara County, a voter must be a U.S. citizen, at least 18 years old on or before Election Day, a Santa Clara County resident and not imprisoned or on parole for a felony.

Online registrations will be accepted as long as they are completed before midnight on May 23, paper registration forms that are postmarked prior to or on May 23 will also be accepted. Paper registration forms are available at post offices, public libraries, fire stations, city halls and most local government offices.

Santa Clara County consists of 758,980 registered voters. Voters who want to look up their districts can use the convenient online tool [Look Up Your Districts](#).
