WEEKEND VOTING OPTIONS OFFERED FOR NOVEMBER 8 ELECTION

*Early Voting Centers, Drop-off and Drive-thru Voting Available
Starting This Weekend*

SANTA CLARA COUNTY, CALIF. – The Santa Clara County Registrar of Voters' Office will offer Early Voting for the November 8, 2016 Presidential General Election during the next two weekends.

“As a convenience to voters who can't get away during the week, we are offering weekend voting hours at our office and at five other Early Voting Centers, which are conveniently located in each of the County's five supervisorial districts,” said Registrar of Voters Shannon Bushey. “We are also offering 55 ballot drop-off sites throughout the County and 5 drive-thru ballot drop-off sites, where voters can cast their voted ballots from the comfort of their vehicles.”

Bushey added, “We are working hard to expand voting opportunities throughout Santa Clara County. Just this week, we added a ballot drop-off site outside of the west wing of Valley Medical Center. We want voters to use the voting method that best fits their location and schedule.”

As in all elections since November 2015, the Registrar of Voters' Office included a postage-paid return envelope with every mail ballot. In previous elections, voters had to pay the cost of return postage, which frequently exceeded a single first-class stamp.

Bushey explained, “The Registrar of Voters' Office and the Board of Supervisors are passionate about increasing voter turnout and we hope that we will make it easier to vote by providing prepaid postage for all mail ballots in addition to weekend voting opportunities. An added benefit of voting early,” Bushey continued, “is that completed ballots received prior to Election Day are included in the first results released at 8:05 p.m. on Election Night.”

There are three different options for voting this weekend.

1) All voters may vote at any of six Early Voting Centers.

Once voters arrive at an Early Voting Center, they can obtain a ballot on demand and cast it in person, or they can take their ballot home to complete later. Voters can also drop off their completed Vote by Mail ballots, receive a replacement for a lost or damaged Vote by Mail ballot or envelope, or use a touch screen voting machine. The touch screen voting machine is accessible to voters with visual and/or hearing impairments.

Board of Supervisors: Mike Wasserman, Cindy Chavez, Dave Cortese, Ken Yeager, S. Joseph Simitian
County Executive: Jeffrey V. Smith

The Early Voting Center located at the Registrar of Voters' Office is open as follows:

In previous elections, voters had to pay the cost of return postage, which frequently exceeded a single first-class stamp. Notably, Santa Clara is one of only a few counties in the state to offer prepaid postage for Vote by Mail ballots.
