ANSWERS TO FAQ'S ON VOTE CENTERS AND BALLOT DROP BOXES

- I did not request to be a permanent Vote By Mail voter, why did I receive a Vote by Mail ballot?

With the passage of the California Voter's Choice Act (VCA), and approval by the Board of Supervisors, every registered voter in Santa Clara County --- starting with the March 2020 election --- will automatically be mailed a Vote by Mail ballot, beginning 29 days before an election. This allows voters to decide how, when, and where they vote.

[Back to top](#)

- Why did Santa Clara County choose to adopt the Voter's Choice Act?

Santa Clara County adopted the Voter's Choice Act to modernize elections to reflect the lives of today's voters. The Voter's Choice Act will make voting more convenient by providing voters with more options of how, when, and where they vote. All voters will receive a Vote by Mail ballot, and instead of being limited to voting at one polling place on Election Day, you will now be able to vote in person at any Vote Center in Santa Clara County (as early as 10 days before Election Day) or at our office at 1555 Berger Drive, Building 2, San Jose, CA 95112 (as early as 29 days before Election Day), or by dropping your voted ballot in a Ballot Drop Box.

[Back to top](#)

A "Vote Center" is a universal polling place where any registered voter in Santa Clara County may vote. Simply stated, with Vote Centers, there is no wrong place to vote.

[Back to top](#)

- How are people going to find out about the change from polling places to Vote Centers?
 - *We will be contacting each voter directly by mail at least twice.*
 - *We are creating public service announcements, and working closely with media outlets, that include required minority languages, such as: local newspapers, radio stations, and television. We are issuing Press Releases to let media outlets know about the change so they can help get the word out. We also plan to use all of our social media outlets to get the word out such as Twitter, Instagram and Facebook.*
 - *We participate in community events throughout the year and work with local community, disability and language groups to educate the public. If you know of any events that you would like the Registrar of Voters' Office to participate in, please email Outreach@rov.sccgov.org with more information.*

[Back to top](#)

- What are the advantages of the Voter's Choice Act?

The Voter's Choice Act provides for Vote Centers which make voting more convenient. Voters are able to choose how, when and where they vote. There are more locations to register to vote, And more locations to vote in person before Election Day. Ballots can be dropped off at any Ballot Drop Box location or Vote Center. [Back to top](#)

- What voting assistance is available at a Vote Center?

Each Vote Center will be equipped with a minimum of three (3) accessible ballot marking devices so all voters can cast a ballot independently and privately. Voters can still bring up to two people to assist them during the voting process, as long as they are not the voter's employer or union representative. Vote Centers will also have bilingual assistance. Please call our office at 408-299-8683 or 866-430-8683, to see what language assistance is available at a Vote Center near you.
