THE STUDENT ELECTION PROGRAM

Offers qualified high school students the opportunity to learn about and participate in our democratic process by serving as a Vote Center Aide. Students can earn a stipend or community service credits for their efforts. While students may learn about democracy second hand from a book or in a classroom, the opportunity to serve as a Student Aide on Election Day is an invaluable, real life experience that will bring awareness to young Americans regarding the importance of voting as well as to help lay the groundwork for a lifetime of civic involvement and responsibility. We are pleased to announce that we are now accepting applications from High School Students for the November 3rd, 2020 Presidential General Election.
