Green Business Update for October 14, 2004 TAC Meeting

The Green Business Program held a Recognition Event for thirty seven businesses that were certified in fiscal year 2004. Twenty four of the businesses were on hand to receive certificates of commendation from Santa Clara County Board Chair, Pete McHugh on September 28, 2004.

Currently 34 businesses are working toward certification and 49 have been certified.

Gilroy Toyota has enrolled since the last TAC meeting and staff will begin contacting Sunnyvale businesses in the next few weeks.

Staff continues to attend functions that will enable them to recruit businesses.
