Finding Learning Partnership Classes

Search for Classes by Category
Log in to sccLearn. On the home page, use Browse to search for classes by category.
Click on the Learning Partnership category folder. A new page will open with a list of available classes.

Note: Your view of the folders list depends on your system privileges.

Search for Classes Using the Calendar View
Click on the calendar icon in the top right corner.

- When the calendar displays, classes from multiple training providers will appear on the calendar.
- On the left side of the screen, click Categories, then click the checkbox next to Learning Partnership.
- Click the Apply button, then only Learning Partnership classes will appear on the calendar.
- Use the calendar controls at the top of the page to select dates and change the view to day, week, or month.
- To see class details, place your mouse over a class title for a few seconds. If you click on the class title, a new window will appear with information and a button you can click to enroll in the class.
