Child Safety Information

Megan's Law
The purpose of Megan’s Law is to provide the public with internet access to detailed information on registered sex offenders. The law expands access and allows the public to use their personal computers to view information on sex offenders required to register with local law enforcement. The law is not intended to punish offenders and specially prohibits using the information to harass or commit any crime against an offender.
Access the database to check for offenders in your area
www.meganslaw.ca.gov/Search.aspx

Oliver's Law
The purpose of Oliver's Law is to allow parents to review the safety of the childcare program or facility. To encourage parents to evaluate the program’s ability to meet the needs of their child. Licensed childcare facilities are required to present complaint information to a parent when asked. This gives the parent and provider an opportunity to discuss sensitive issues, including changes that have been made in response to a complaint. It also gives providers a chance to tell their side of the story.
Access the database to review the files of the licensed child care provider you are interested in.

WHAT IS CALFRESH?

- CalFresh (known federally as Supplemental Nutrition Assistance Program or SNAP) helps people with limited income to buy healthy food.
- CalFresh is a nutrition program not a welfare program.
- CalFresh benefits are deposited in an Electronic Benefit Transfer (EBT) card. It works just like a bank debit card. EBT cards can be used at most grocery stores and farmers’ markets.

WHO CAN GET CALFRESH?

- The amount of CalFresh a household receives is dependent on household size, countable income, and monthly expenses, such as housing and utilities.
- You may be eligible to receive CalFresh even if you have earnings, are unemployed, retired, receiving Social Security Income (SSI), or other benefit programs such as CalWORKs or General Assistance.
- To qualify, at least one household member must be an eligible immigrant or citizen. That person can be a child.
- Single individuals and couples without children may be eligible to receive CalFresh.
- College students may be eligible to get CalFresh if they meet student requirements and are otherwise eligible.
- If you get SSI (Supplemental Security Income) you may qualify for CalFresh, if otherwise eligible.

WHAT ELSE SHOULD YOU KNOW ABOUT CALFRESH?

- You can own your home and car, and have savings and still be eligible. You do not need to report CalFresh on your tax return.
- CalFresh is not a loan. You do not need to pay back benefits that you receive, unless you are overpaid.
- If you are 60 years of age or older, homeless or disabled, you are eligible to purchase prepared meals at certified restaurants in Santa Clara County.

Self-Sufficiency Standard Tool for California

The California Family Economic Self-Sufficiency Standard (Self-Sufficiency Standard), quantifies the costs of basic needs for California’s working families. Many policymakers, advocates, services providers, foundations, and families use the Self-Sufficiency Standard to make informed decisions on working family issues. It measures the minimum income necessary to cover all of a non-elderly (under 65 years old) and non-disabled individual or family’s basic expenses - housing, food, child care, health care, transportation, and taxes - without public or private assistance. The California Self-Sufficiency Standard is available for all 58 counties across the state. This tool allows you to look up the Self-Sufficiency Standard for a specific county and household type in California.

MORGAN HILL MIGRANT EDUCATIONAL PROGRAM

The California Migrant Education Program is part of a federally funded national program that provides supplemental educational and support services to migrant children. Each year thousands of farm workers leave their homes and move across school districts and state lines to follow work in agriculture. This causes disruption in their children's education and often causes the migrant children to fall behind or to be at risk of failing.

The Migrant Education Programs support high-quality and comprehensive educational programs for migratory children to address disruption in schooling and other problems that result from repeated moves.

**NEW EYES**

New Eyes is a not-for-profit, non-sectarian organization whose purpose is to improve the vision of low income individuals. This organization purchases new prescription eyeglasses through a voucher program for children and adults in the United States who cannot afford glasses on their own.

Eligible clients can apply for a voucher through a social service agency or a school nurse. Clients can present a New Eyes voucher to any participating local optical dispenser, who fits the client with the proper prescription eyeglasses. The dispenser then receives reimbursement directly from New Eyes.

- Applications can only be submitted online by a Social Services Agency Worker with information obtained from the client and, California residents must use Marvel Optics to order eyeglasses.

The New Eyes Application Process requires applications to be submitted on behalf of clients through a social service agency (Employment Counselor, Eligibility Worker or Social Worker). If a social service agency is not available, a primary care physician, school nurse or house of worship may submit an online application for the client.
