We are very excited to announce that the Board of Supervisors has granted us funding for camps and enrichment activities for our youth! This summer may be a little different due to COVID-19 as many camps and summer activities are required to limit the number of children per group and follow the County of Santa Clara’s Public Health Department health order. There are still numerous activities that you can sign-up for: karate, music lessons, art classes, fitness after-school activities, horseback riding lessons, camps and activities for special needs children, and more! The County has purchased specific slots for camps for our youth but you may also sign up to camps of your choosing.

**To be eligible for this program, youth must:** live in Santa Clara County, be between the ages of 0-18 years old, is a current or former foster youth, youth in probation, or recipient of CalWORKs or CalFresh benefits; youth with special needs also qualify.

You can get more information on the available camps and to apply online, please visit: [https://www.sccgov.org/sites/ssa/dfcs/Pages/kafpa.aspx](https://www.sccgov.org/sites/ssa/dfcs/Pages/kafpa.aspx)

For camps or activities of your choice, we will need:

1. The SCEA (Summer Camps and Enrichment Activities) Funding Request form, filled out and signed online (at the website above)
2. A copy of the application from the program you'd like to sign up for

Once you have talked to your social worker or once we have all of this information from you, we can discuss scholarship options. We will look at your request first, and then pay each program directly. Each eligible child is allowed up to **$500** or **two summer activities** for this summer (June 2020 - August 2020).
